

Members,

I am running for District 5 Representative. It would be an honor for me to represent District 5 at the quarterly board meetings. I have been employed by SC Department of Natural Resources for 5 years and currently serve in Richland County as a Conservation Officer. I have been an active member of SCLEOA since my graduation from the SC Criminal Justice Academy. I would appreciate your support for my candidacy for District 5 Representative.

Marion "Trey" Baker, PFC
