Ryan Alphin  
Executive Director  
South Carolina Law Enforcement Officers' Association  
Post Office Box 210709  
Columbia, South Carolina 29221

Dear Mr. Alphin:

I am interested in the 3<sup>rd</sup> Vice President position within the South Carolina Law Enforcement Officers' Association. I have been a member of this association now for several years and like the direction that I see the association going in. I have approximately 14 years of law enforcement experience with over ten in supervision. I have been the Chief of Police for the Johnston Police Department since July 2014. I currently serve as the President of South Carolina Police Chiefs Association, but has been a member of the Executive Board since January 2016.

I am willing to work diligently and hard to make this association continue to be successful while making a difference in the law enforcement profession across this state. I will work hard to make sure that the mission of the association is met and the needs of its members are met to the best of the association abilities. I am very passionate and serious about the job that I have as a law enforcement officer and as a leader. I would do everything that I can to promote this association while also helping this association in any way that I can to grow.

Thank you for your time and consideration and I look forward to serving the officers of this association and being a part of "*The Voice of Law Enforcement in South Carolina since 1941.*"

Sincerely,

Lamaz S. Robinson, Chief of Police
